Confirming Your Offer of Admission: Admission Policies and Procedures Guide

Please ensure that you have reviewed and understood the Collaborative Nursing Degree Program Approval Guide enclosed with your Offer of Admission. Confirmation instructions, maintaining the conditions of your offer (should your offer be conditional), and deposit fee payment details are outlined within the guide.

What Happens Next: Fee Payment and Registration

Fee Payment

Once you have confirmed your offer of admission, you will be asked to pay a confirmation deposit of \$1,000 to Ryerson University. For more information about your confirmation deposit, refer to the Admission Policies and Procedures brochure contained in this package.

Centennial will mail your tuition fees statement and instructions on how to pay your fees and register for your courses after Ryerson has received your \$1,000 confirmation deposit. Your fees include your tuition and approved incidental fees. The fastest and most convenient way to pay your tuition fees is online through **myCentennial** – a website where step by step instructions will lead you through both the fee payment and registration process. You will receive information on how to access **myCentennial** with your fee statement.

Now you're ready to register for your courses

Register for your courses online through my.centennialcollege.ca. Go to **myCentennial** to:

- Pay your fees
- Register for your courses
- Find parking and locker information
- Make changes to your address and/or phone number
- Investigate financial aid, scholarships and bursaries
- Access key dates, e-mail, grades and college announcements

Orientation – The place to be!

Orientation takes place just before the start of class. It's a day set aside when you can visit your campus and obtain your student photo ID, parking pass, find your locker, purchase books, take a campus tour, meet your future classmates and get the information you need to begin your program successfully!

Where is Orientation?

Orientation takes place at the Morningside Campus. Details will be available on **myCentennial**.

First Year Student Life Experience Program

Formally known as the First Generation Student Project, Centennial College has developed a program which begins this fall and encourages students of Centennial College to pursue supports, activities, events, access to academic tutors and peer mentors to assist in their efforts to achieve academic success.

The First Year Student Life Experience Program is open to any first year students, including, First Generation, HYPE, Francophone, Aboriginal, and Internationally Trained Individuals.

Who is a First Generation student?

Any student whose parent(s)/guardian(s) has/have not attended a postsecondary institution. If a sibling (brother/sister) of the student has attended a post-secondary institution but the parent(s)/guardian(s) have not, the student is still considered a First Generation student.

If you are a First Generation student, please check out our website at centennialcollege.ca/firstyear

The Centre for Students with Disabilities

Centennial College is committed to providing the best possible education for all of our students. This includes meeting the needs of students with disabilities who may require adjustments or accommodations for their success. If you have a documented **learning disability, ADD/ADHD, medical or mental health condition, physical, visual, hearing or mobility impairment**, we will make every reasonable effort to accommodate your needs to meet the learning outcomes of your program, and to provide equal access to all programs and services.

How are applicants with disabilities identified?

Applicants and current students with disabilities must identify themselves to the Centre for Students with Disabilities (CSD). Since high school records are not automatically forwarded to the college, students themselves must initiate contact to register with the CSD.

How do students register with the CSD?

- Call the CSD to make an appointment with a Disabilities Counsellor at the campus where your program is held. Ask what type of documentation you will need to bring to your appointment.
- Collect the required documentation to verify and explain your disability. Documentation may include medical information, psychoeducational assessments, and IEP's. The documentation required depends on the nature of your disability. You must bring your documentation to your appointment.
- Telephone: 416-289-5000 ext. 8025, OR
- Complete and return the CSD Advisement Form below.

Admission and Placement Assessment

Applicants to most programs are required to complete skills assessments for placement in the correct courses (e.g. English, math, science). SOME applicants must complete the assessments for admission. Students who have registered with the CSD can write these assessments with accommodations.

**Centre for Students With Disabilities –
Morningside Campus 416-289-5000, ext. 8025**

CSD ADVISEMENT FORM

This form should be used only if you have a documented learning disability, ADD/ADHD, medical or mental health condition, physical, visual, hearing or mobility impairment.

If you require accommodations or support due to your disability, you must register with the Centre for Students with Disabilities (CSD). Please complete and return this form once you have confirmed your offer of admission. You will be contacted to set up an appointment with a Disabilities Counsellor. You will be asked to collect the required documentation to verify and explain your disability. Documentation may include medical information, psychoeducational assessments, and IEP's. The documentation required depends on the nature of your disability. You must bring your documentation to your appointment.

Failure to return this form well in advance of the program start date may result in a delay implementing the supports required.

When you come in for your appointment, you can assess the nature of the program requirements and the services available, discuss the supports and accommodations you may need, ask any questions and write your skills assessment with accommodations.

Return completed form by mail or fax to: **Centre for Students with Disabilities, Progress Campus, Rm C1-03, P.O. Box 631, Station A, Toronto, ON M1K 5E9. FAX: 416-289-1456**

Services provided by the Centre for Students with Disabilities

Ongoing: Counselling, access to accommodations, assistance and support in self-advocacy, and developing and training of strategies and skills for student success.

Adaptive Technology Labs: Each CSD has a computer lab that is equipped with specialized software and hardware to ensure access in all of your program and academic needs. Training is provided.

AIMS-LD: Academic Improvement and Monitoring Service for Students with Learning Disabilities. Support and training with an Assistive Technologist and a Learning Strategist.

START Smart: Successful Transitions: Advocacy - Resources - Training. Components of the program include:

1. **Summer Conference** – Held at Centennial's Residence and Conference Centre, students with learning disabilities receive a valuable preparation for college life through workshops, presentations & fun group activities.
2. **Introduction To College Life** – Workshops for all students with documented disabilities and their parents/guardians and high school Special Education classes.
3. **Peer Mentor Program** – For students with learning disabilities.

What are accommodations?

Accommodations are tools and/or academic or physical arrangements that help to 'level the playing field', providing students with an equal opportunity for success. Courses are not *modified* at the post-secondary level; students are *accommodated* to compensate for disabilities.

Accommodations are based on information from assessments from a professional (such as a psychologist or medical doctor) that describe a student's disability. The Disabilities Counsellor/Consultant, in discussion with the student, will determine the appropriate accommodations and will provide the student with an Individual Student Profile (ISP) that outlines the accommodations for the student to share with his/her instructors. Some examples of accommodations include the use of assistive technology, extra time for tests, use of a tape recorder for lectures, sign language interpreter or assistance from a note-taker.

Going to College is one of the best choices you can make. It's an investment in yourself and your future.

Plan your future – Plan your budget

When you enrol at Centennial you will want to learn and study, meet new friends, join clubs and get involved. You will also want to be free of financial worry and for this you need a plan. The cost of tuition, books, supplies, travel or living expenses can easily add up. There is help available to meet these costs.

At Student Financial Services, We Provide Information and Advice On:

- planning your finances
- applying for Student Loans
- accessing awards, scholarships, bursaries and other financial assistance.

How Much Will College Cost?

Your expenses will vary depending on your circumstances. You can get a good idea of your own financial picture by creating a realistic list of your resources and expenses. Your list of resources should include sources of income such as:

- summer jobs
- savings
- contributions from parents, spouses or other family members
- money you earn working part-time while you're in school.

Your List of Expenses Should Include:

- college costs
- room and board
- transportation
- clothing, laundry, personal care and entertainment.

As a general guideline, single students living on their own can expect to spend about \$12,000 per academic year on living expenses, tuition, books and supplies. Married students with dependants, for example, will have higher living costs than singles living at home and can expect to spend \$20,000 or more per year.

If you find your estimated expenses are greater than your resources, your next step is to arrange the financial aid you need.

Ontario Student Assistance Program (OSAP)

OSAP is a government-sponsored program designed to assist students in financing their education. OSAP funds are intended to supplement your own resources in meeting the costs of your education. In addition, the assistance you're eligible for varies according to program length and whether you're single, married or have dependents.

To apply for OSAP assistance, you have to be a fee-paying student attending Centennial full- or part-time in a Ministry approved post-secondary program of study. Part-time students would be eligible to apply for the Canada Part-time Loan Program.

Each plan has its own particular requirements and qualifications; the Ministry OSAP assessment process will match you with the plans that meet your needs.

You should apply early for financial aid to be sure funds are available when you start classes.

Additional information can be found on OSAP's website at <http://osap.gov.on.ca>.

Last year, Centennial students received more than \$55 million in OSAP, scholarships, bursaries and grants including:

Canada and Ontario Integrated Student Loans

The Ontario Student Assistance program (OSAP) includes Canada-Ontario Integrated Student Loans and the following 'supplementary programs' to assist students to financially support their post-secondary study.

Canada Student Grants for Persons with Dependents

Sole-support parents and married students with dependent children under the age of 12 and/or a dependant with a permanent disability who is 12 years of age or older, may be eligible to receive a Canada Student Grant for Students with Dependents up to a maximum of \$200 per month per child. Eligibility is automatically calculated at the Ministry when your OSAP application is processed.

Canada Student Grant for Persons with Permanent Disabilities

Qualifying students with permanent disabilities and demonstrating high financial need will automatically be considered by the Ministry on behalf of the Government of Canada for grant funding of \$2,000 per year.

Canada Student Grant for Persons from Low-Income Families

Qualifying students from low income families demonstrating high financial need will automatically be considered by the Ministry on behalf of the Government of Canada for grant funding up to a maximum of \$250.00 per month of academic study.

Canada Student Grant for Persons from Middle-Income Families

Qualifying students from middle income families demonstrating high financial need will automatically be considered by the Ministry on behalf of the Government of Canada for grant funding up to a maximum of \$100.00 per month of academic study.

Ontario Access Grants

Funded by the provincial government, this grant is for first/second year students in a 'first-entry' program. Students must have been out of high school for four years or less. Students must enrol in a minimum two year program. A maximum of \$3,000 per year as determined by the Ministry.

Ontario Access Grants for Crown Wards

Students who are current or former Crown Wards and enrolled in their 'first-entry' program of study are eligible for a maximum grant of \$3,000 as determined by the Ministry for a maximum four year program of study.

Transition Grants

(For former Millennium bursary recipients.) A student who received a Millennium Bursary 2008-09 and has no restrictions or over-awards on file, will be considered for a Transitions Bursary for up to three additional continuous years of post-secondary study.

Ontario Distance Grant: Commuting Grants

This grant assists students who commute 80 kms (one way) or more on a daily basis to reach our institution because there is no other university or college closer to home that offers the same program of study to a maximum of \$500 per term.

Ontario Distance Grant: Travel Grants

This grant is for dependent students only who live away from home during their study period because there is not an institution of the type they attend within 80 kms of their permanent home address to a maximum of \$300 per year.

Textbook and Technology Grant

This grant is available to full-time students attending our institution to assist with their costs for textbooks and technology to a maximum of \$150 per year.

Ontario Student Opportunity Grant

Students who have a Canada - Ontario Integrated Student Loan greater than \$7,300 for a two-term academic year will receive a grant for the amount exceeding the \$7,300 (subject to maximums). To be eligible, the income reported on your OSAP application must be verified with Revenue Canada by the Ministry and you must complete your year of studies. The Ministry has imposed an academic progression standard requiring that all full-time students must pass a minimum 60 per cent of their full-time course load to be eligible for this grant. If you withdraw or stop attending classes before you complete your academic year, you will not be eligible for an Ontario Student Opportunity Grant. This grant (previously called loan forgiveness) is paid directly to your service provider by the Ministry after all criteria is met.

Queen Elizabeth II – Aiming for the Top Scholarship

These scholarships are designed to recognize students who have shown academic excellence at the high school level and to assist students with financial need (based on their OSAP application). The students must be graduating from high school in the year 2010/2011. The value of these scholarships are determined based on the student's financial need and is renewable for up to four years to a maximum of \$3,500 per year.

Ontario Work Study Plan (OWSP)

OWSP provides on-campus, part-time work for students receiving OSAP who need additional financial assistance. It's aimed at students whose financial needs can't be fully met by other OSAP plans, or those who want to reduce the amount of their student loans. If this fits your situation, ask one of our financial aid specialists for more information.

Bursaries for Students With Disabilities

These bursaries (grants that do not have to be repaid) provide financial assistance (up to \$10,000 more per year) to students who have special educational expenses because of a disability. They supplement the regular OSAP loan plans and ensure that students with disabilities do not have to carry extra debt to cover their special expenses. Our financial aid specialists can help you arrange for this bursary on request.

Ontario Child Care Bursary

Students with children can get assistance with child care costs through this bursary (a grant that does not have to be repaid); if you have three or more children under 11 years of age requiring child care costs. The bursary supplements the regular OSAP loan plans and ensures that students do not have to carry extra debt to pay for those child care costs. Our financial aid specialists can help you make arrangements.

Canada Part-time Loan/Special Opportunity Grants For High Need Students

Assistance for students who are unable to study on a full-time basis in a day school program or to study part-time with loan support. See a Student Financial Services Officer for more details.

Centennial College Bursaries

Centennial College provides many bursaries to complement OSAP and the supplementary programs indicated above. With the exception of our Ministry directed Student Access Guarantee, you do not have to apply for OSAP to be eligible for Centennial College bursaries.

Please note: Funding as published is subject to change

Scholarships and Awards

Hundreds of scholarships, awards and bursaries are available to college students. Most are based on the academic standing you have achieved in high school or college, and used to help you continue in your program. In many cases, awards or scholarships recognize students in a particular field.

Scholarships are confirmed annually. Our Student Financial Services Office maintains a complete listing of current scholarships, awards and bursaries open to students, along with application forms found at my.centennialcollege.ca.

2011-2012 Centennial College Student Bursaries and Student Financial Assistance

A bursary is money that is awarded based on financial need to eligible students. This money does not have to be repaid. Centennial College provides many bursaries to complement OSAP and the supplementary programs. With the exception of our Ministry-directed Student Access Guarantee, you do not have to apply for OSAP to be eligible for Centennial College bursaries. Please review the list of expected bursary offerings for 2011-2012 to determine if any of these resources can assist you. Bursaries are available at various times throughout the year. Watch *myCentennial* for information on upcoming bursary opportunities and how to apply for a bursary. Bursaries are subject to change.

Student Access Guarantee (SAG) Bursary

For students who have been identified by OSAP as having an unmet need. This is available to eligible students in Fall, Winter and Summer. Students will be automatically considered for this bursary, and no application is required. Amounts will vary depending upon the Ministry OSAP calculations.

Centennial College Special Hardship Bursary

Will help you to meet the costs associated with emergencies you may encounter, such as a fire. This application is only available through a personal interview with a Student Financial Services Officer at the campus you attend during the academic year.

Centennial College Work Study Program

Can provide eligible non-OSAP students with a job on campus. The wages are currently \$10.25 per hour and the positions vary. See a Student Financial Services Officer for more details once you have registered full-time to review any potential work opportunities.

Centennial Connect Tuition Bursary

50 bursaries of \$500 each to support tuition costs. Open to applicants who apply for the bursary at "Connect with Centennial" Open House and who become enrolled as a full-time student.

Child Maintenance Bursary

500 bursaries of \$500 each to assist students with dependent children. This bursary is offered in Winter 2012.

Disability Support Program

Permanently disabled students have an opportunity to take one or two courses over the summer and receive help with tuition and books.

First in My Family Bursary

40 bursaries of \$1,000 each to assist first year students who are the first in their family to pursue post-secondary studies.

Ontario First Generation Bursary

50 bursaries of \$500 each to assist second and third year students who are the first in their family to pursue full-time post-secondary studies.

Bachelor of Science in Nursing Entrance Bursary

50 bursaries of \$2,000 each are available to first year students who enroll full-time in the Bachelor of Nursing program (#9250).

Centennial College General Entrance Tuition Bursary

25 bursaries of \$500 each are available to first year students to enroll at Centennial College full-time.

\$2,000 Entrance Bursary

Available to Bachelor of Science in Nursing (BScN) Students (11F) – Program 9250

About the Bursary

50 Centennial College BScN Entrance Bursaries, each valued at \$2,000, are available this fall to first-semester new-entrants who are enrolled full-time in the Bachelor of Science in Nursing (BScN) degree program. This bursary is a grant awarded to students who demonstrate financial need. It is not a loan, and so there is no need to repay the money. It will go a long distance in helping recipients address the costs of Nursing degree studies at Centennial College.

How to Apply

Apply now! The sooner you apply, the sooner your application will be considered. Complete the application form (see page 11) and ensure that it is received by Centennial College by **June 3, 2011**.

Attention:

S. George, Associate Registrar,
Rm C2-05B, Student Financial Services,
Progress Campus, Centennial College,
P. O. Box 631 Station A
Toronto, Ontario M1K 5E9

Take care in completing the application since incomplete or late applications will not be considered. Also, remember that you must fulfil specified eligibility criteria (noted below). Plan to apply immediately.

What to Expect After Submitting Your Application

Centennial's Student Financial Services Office will review your bursary application, and provide you with confirmation of your bursary by return mail.

You must be a full-time student at Centennial as of September 20, 2011 in order to receive the bursary. But your approval can be determined as soon as you complete and return your application. Do not wait.

What Criteria Determines Your Eligibility For A \$2,000 Bursary?

- a) You must be deemed by Centennial's Student Financial Services Office to have a 'demonstrated financial need'. That's why it is important that you fully complete the application on the next page.
- b) You must be an admitted candidate into the Bachelor of Science in Nursing degree program at Centennial College.
- c) You must fulfil all admission requirements for the Bachelor of Science in Nursing degree program.
- d) Your bursary application must be received by Centennial College by **June 3, 2011**, but apply earlier for tuition purposes.
- e) You must be a Canadian Citizen or permanent resident and have lived in Ontario for 12 consecutive months prior to starting your full-time, post-secondary studies. International and Second Career students are ineligible for the bursary.
- f) You must be enrolled as a full-time student as of the last date to withdraw for Fall 2011 Semester.

What Conditions Govern Your Receipt of A \$2,000 Bursary?

- 1) Should you receive an Entrance Bursary for Fall Semester 2011, you will be ineligible for other tuition bursaries offered by Centennial's Student Financial Services Office during the remainder of the 2011-2012 academic year (i.e. Fall and Winter semesters). However, you may apply for other financial assistance for the 2011-2012 academic year through the Ontario Student Assistance Plan (OSAP).

- 2) BScN entrance bursaries will only be awarded if you are enrolled full-time in the Bachelor of Science in Nursing program during the Fall Semester 2011. Should you enroll as a full-time student, and subsequently change to part-time status during the first two weeks of the Fall Semester, the bursary offer will be rescinded.
- 3) Entrance Bursaries will be determined by the end of September 2011.
- 4) Should you be eligible for a refund of 2011-2012 fees, only those fees contributed by you (the bursary amount is exempted) may be refunded.
- 5) Recipients of BScN Entrance Bursaries will be issued a T4A form for year 2011 tax requirements.
- 6) Centennial's decisions regarding bursary recipients are final, and bursaries must be accepted as awarded.
- 7) The information on the bursary application form is collected under the legal authority of the Colleges and Universities Act R.S.O. 1980. The information is used to determine eligibility for bursary awards. Questions regarding the use of application information should be directed to Scherry George, Associate Registrar, Student Financial Services Office, Centennial College (416-289-5300).
